

# How to support educator growth through professional learning

In the past 20 years, the teaching field has grown increasingly diverse<sup>1</sup>. Support teachers' individual needs so they can flourish.

Recognize teacher achievements and give them the opportunity to shine.

Encourage teachers to collaborate with one another. The quality of teacher collaboration positively influences teacher performance and student achievement<sup>2</sup>.

Create a safe space and school climate for teachers to take risks. Don't let the fear of what could happen prevent you from encouraging teachers to create inspiring experiences for their students.

## Teachers deserve better –

better learning opportunities, support to follow passion projects and recognition for the great experiences they're already creating for their students. When we nourish teachers with what they need, teacher practice and student outcomes improve.
